## BENNACHIE COMMUNITY COUNCIL

The Bennachie Community Council (BCC) is a group of elected local volunteers who liaise with Aberdeenshire Council and other groups to represent the views of the area. Part of our role involves being a statutory consultee for planning applications within our area. We meet on the fourth Monday of the month and our next meeting is on January 26th. We are still looking for new members from the following areas- Insch (2), Oyne (1), Meikle Wartle / Durno (1) and Premnay (2) and Culsalmond and Colpy (1). If you want to help your community, please let us know at [bennachieCC@outlook.com](mailto:bennachieCC@outlook.com)

So, who are we: - Chairperson: Sheena Lonchay (Insch) Vice Chair: Kevin Shand (Culsalmond and Colpy), Treasurer: Wally Rhodes (Leslie), Secretary: Lynda Bain (Chapel of Garioch) Alan Simpson (Leslie), Frank Musgrave (Oyne), Mark Worsley and Duncan Thow (Chapel of Garioch, Whiteford and Pitcaple), Gill Walker and Diana Muriel (Rayne), Gill Bishop (Durno and Meikle Wartle), Janette Taylor, Gordon Hood and Rab Riggs (Insch)

We are supported by our 3 Councillors: - Moray Grant, Sam Payne and Hazel Smith.

If you want to contact us our email is [bennachiecc@outlook.com](mailto:bennachiecc@outlook.com) or see our [Facebook](#) page

The five main topics we are looking at just now which are keeping us really busy are: -

1. Insch Hospital and health care within our area.
2. Resilience Planning. Work is ongoing at looking at village hall resilience.
3. Community Action Plans and Local Place plans.
4. Developments within the area i.e. Coreen Windfarm and Battery Energy Storage at Meikle Wartle.
5. We have also just started up a paths/green space group.

### 1. Insch Hospital Review

In July the Integration Joint Board (IJB) agreed that a review of the Insch War Memorial Hospital should be conducted, to determine whether they should declare the building surplus to requirements. Although we worked closely with Aberdeen Health and Social Care Partnership (AHSCP) to propose Terms of Reference for the review and suggested candidates to be Independent Chair, disappointingly the first meeting of the Insch Hospital Review was only held on December 9th.

Susan McLaren has been appointed by AHSCP as Independent Chair. She had a career as a police officer, then joined Moray Council, retiring as Head of Children's Services for Moray.

The first meeting did not agree the Terms of Reference for the way forward for the review. There was disagreement on the AHSCP view of the minutes from the IJB which has as yet to be resolved. Work will recommence in January.

Consultation with residents including face to face events will be an integral part of the review.

All parties recognise the need to conclude the work before the Scottish Government elections next year. The original IJB recommendation on Insch Hospital was made in 2022, there has been no progress to date, BCC area is in limbo with the worst of ten options for healthcare, and further extending the uncertainty by deferring the conclusion beyond the Holyrood election would be the worst possible outcome.

### 2. Community Hospital Review

AHSCP are conducting a review of the entire Community Hospital estate. BCC used social media to promote the public survey and roadshows in Huntly and Inverurie. Most BCC members attended one of the drop in sessions to express concern about the lack of progress since Insch War Memorial Hospital was closed during Covid and BCC made a comprehensive submission. It is intended that findings from the Insch Hospital Review will feed into the Community Hospital

Review in Q1 2026. BCC has asked to be represented on the Community hospital Review.

**3. NHS (Grampian) Annual review** with Neil Gray, Cabinet Secretary for Health and Social Care took place on December 1st in Aberdeen. BCC representatives took the opportunity to have informal discussions with key NHS and AHSCP attendees. The summary letter from the minister has not yet been received, but in May AHSCP had been escalated to Level four, one below the worst level of five on NHS Scotland's National performance Framework. In the brief public Q&A session at the end of the meeting the minister, answering questions put by BCC confirmed that additional funding has been made available to resource home care, GP practices and community hospitals to alleviate pressure on ARI.

## COMMUNITY ACTION PLAN

Work is ongoing implementing the actions that have been set out in the Community Action Plan which is available on our Bennachie Community Council website [Home | Bennachie Community Council | Aberdeenshire](#). We have been concentrating on the Local Place Plan which is now finished.

### Local Place Plans

Thank you to everyone who attended our meetings, filled in our survey,

spoke to us at the Strawberry Fayre and commented on the draft Local Place Plan. We have completed the plan and it is now lodged with Aberdeenshire Council for verification purposes to see if it can be accepted. This is as per the procedure for local place plans. You can see the plan on the BCC website [Community Action + Local Place Plans | Bennachie CC](#)

## TRANSPORT

### Meeting with local MP Harriet Cross to discuss A96 dualling.

Although the Scottish Government have said they are still committed to the dualling the A96 from Aberdeen to Inverness, the A96 Corridor review published in June demonstrated that dualling the entire A96 is not the optimal solution. Traffic volumes between Inverurie and Fochabers do not meet Transport Scotland requirements for dualling and dualling is not consistent with the Scottish Government commitment to reduce car kilometres by 20% by 2030. The Corridor Review Refined Package of Interventions includes Improved Public Transport Interchange Facilities; Investment in Demand Responsive Transport and Mobility as a service; Linespeed, Passenger and Freight Capacity Improvements on the Aberdeen to Inverness Railway Line; Elgin Bypass and Keith Bypass; Targeted Road Safety Improvements and A96 Electric Corridor, which would cost £501m to £1b, compared to £2.5 to 5bn for dualling the A96 Aberdeen to Nairn.

BCC supports the Corridor Review Refined Package of Interventions as the best option for our community. There is no economic justification for dualling, commuting and business travel have fallen markedly since the pandemic, the proposed dualling route will not fix traffic problems in Inverurie and would destroy mature woodland and some of the best agricultural land in Scotland. Targeted Road Safety Improvements will allow early action on the A96 junction at Colpy where there have been two fatalities in recent years.

BCC confirmed during Scottish Government Consultation that we support the Refined Package of Interventions and wrote to all local MSP's asking them to represent our views. Despite the fact that the Scottish Government has no money so dualling of the A96 could not start before 2030 when the A90 dualling is scheduled to be complete, our local MP continues to press the Scottish Government to proceed with the A96 dualling. BCC representatives met with Harriett Cross, our local MP and Andrew Raeburn, her Head of Office. The meeting was hosted on a local farm north of Old Rayne so that she could see the impact both on loss of prime agricultural land and on Bennachie. Harriet recognised the need for urgent safety

improvements at the Colpy junction and to address the disruption caused by commuter traffic in Inverurie. We agreed that a decision is required from the Scottish Government Cabinet Secretary for Transport early in the new year to avoid delay past the 2026 Holyrood elections. No decision stifles investment in the region and is the worst possible outcome.

**20mph Speed Limit**

The national 20mph speed limit in built up areas was implemented in Aberdeenshire on September 22nd. Signs are now installed in all BCC settlements. No assessment is yet available of how effectively the 20mph limit is being observed or enforced. In due course there will be a separate review considering possible additional 20mph restrictions.

**Aberdeen to Inverness Bus Service**

Bus firm Ember started a new electric bus route E7 between Aberdeen and Inverness on June 5th. Since 24th September there have been 16 return services per day, departing Aberdeen between 0200 and 2100 and Inverness between 0200 and 2230. Scheduled stops include Pitcaple, Pitmachie and Colpy. Tickets must be pre-booked, whether it’s weeks or even minutes before. Timetables are available and bookings can be made on the Ember website

<https://www.ember.to>

M96 buses are electric buses which run between Aberdeen and Inverness. The only stop in our area is Pitmachie. See for more details [M96 Bus Route & Timetable: Aberdeen - Inverness | Stagecoach](#)

Stagecoach also has the Number 10 Inverness to Aberdeen buses which go through our area along the A96.

The 64/64A bus also goes into and out of Aberdeen via Inch and Oyne once per day.

## Resilience

We attended a Resilience Workshop held by North East Councils with groups from Moray, Aberdeen and Aberdeenshire on the 10<sup>th</sup> of October. The topics covered everything from Wildfires, Snow wardens to Cyber Security.

It was the talk on Cyber Security and the use of AI which had most of us promising to change our passwords. They recommended using 3 random words with at least 12 characters and not PASSWORD! that some people use.

Cyber Security is something we all need to pay attention to. This site gives information on how to stay safe online. Everything from choosing Passwords to setting up 2 stage verification [Cyber security advice for you & your family - NCSC.GOV.UK](#)

Aberdeenshire Council also produces Trading Standard Bulletins which covers scams and crime in our area. [Trading Standards Crime and Scams bulletin - Aberdeenshire Council](#)

When there is a weather/flood/fire/draught warning we share all the information about this on the **Bennachie Community Council** [Facebook](#) Page.

This page will be where we update information about anything happening during a storm warning/ power cut event.

Hopefully the snow won't be too bad this year but something we would like to make you aware of is the Snow Warden Scheme. It actively supports members of the local community who wish to offer their spare time to manually clear snow from publicly-adopted footways and footpaths.

The scheme runs from approximately 1st November to 31st March. More information can be found about this on Aberdeenshire Council's Website. [Volunteer snow wardens - Aberdeenshire Council](#)

If you need to report a road issue you can do this online using this link [Report a road, pavement or a roadside issue - Aberdeenshire Council](#) or you can use myAberdeenshire App by clicking on the Reporting Folder on the front page .

[Scottish Flood Forum](#) is a great website for information about flooding and how to protect your home. [Flood Re - A flood re-insurance scheme](#) gives information about insurance and flooding.

Resilience starts in the home by being prepared. If you need to leave the house in a hurry due to flooding or storm warnings having an emergency kit is handy as well as an emergency plan.

# DO YOU HAVE AN EMERGENCY PLAN?

**IF YOU OR YOUR PROPERTY ARE IN IMMEDIATE DANGER CALL 999 /112**

1. If a major emergency happens it may be some time before help arrives. It's very important that you and your family get together to prepare. You should be prepared to cope for 72 hours. Agree a plan in advance with those in your home. Complete it together and keep it safe in case you need to use it. If the emergency means it is not safe to go out, the advice is usually to:

**GO IN** Go indoors and close all windows/doors

**STAY IN** Stay indoors until given the all clear

**TUNE IN** Tune in to local radio, TV or the Internet

**Local Radio Stations** (you can do this in the car and it may be possible to charge your phone in your car).

Northsound 1: 96.9 FM

Northsound 2: 1035 kHz

Original 106: 106.8 or 106.3FM

BBC Radio Scotland: 92 – 95FM 810 MW

2. If you have to leave your home, get out, stay out, and take others with you.

3. Agree with your household 2 meeting places or friends to stay with, one near home and one further away, in case you can't get home.

Community Hub/ Second Meeting Place	

4. Your Contacts. If you have a mobile phone, make sure you add the contact details of a key contact person, your neighbours, school and / or work contacts, doctors, vets, child minders, plumber, electrician, fuel provider etc. Where possible back these up on the internet and note your internet/ email access details. If you don't have a mobile phone or internet access, make a list and attach it to this plan.

## Inverurie and District u3a goes live on 13 January at 10.30am in St Andrew's Church Hall, Inverurie

If you are retired or no longer in full-time work, u3a is meant for you. It brings together people who want to learn new skills and share their knowledge and interests with others. Members can join in a range of activities and share experiences in the company of new friends.

### What is u3a?

Meetings are held each month with a guest speaker, to which all members are invited. More importantly, members meet in special interest groups, with topics decided by, and led by, the members themselves. The number and range of subjects is limited only by their imagination and the choices they make.

Founded by the Third Age Trust, it has branches all over the country, with links through a Scottish network to share information and ideas. Each branch is managed locally by its own members to organise groups and events.

### What happens now?

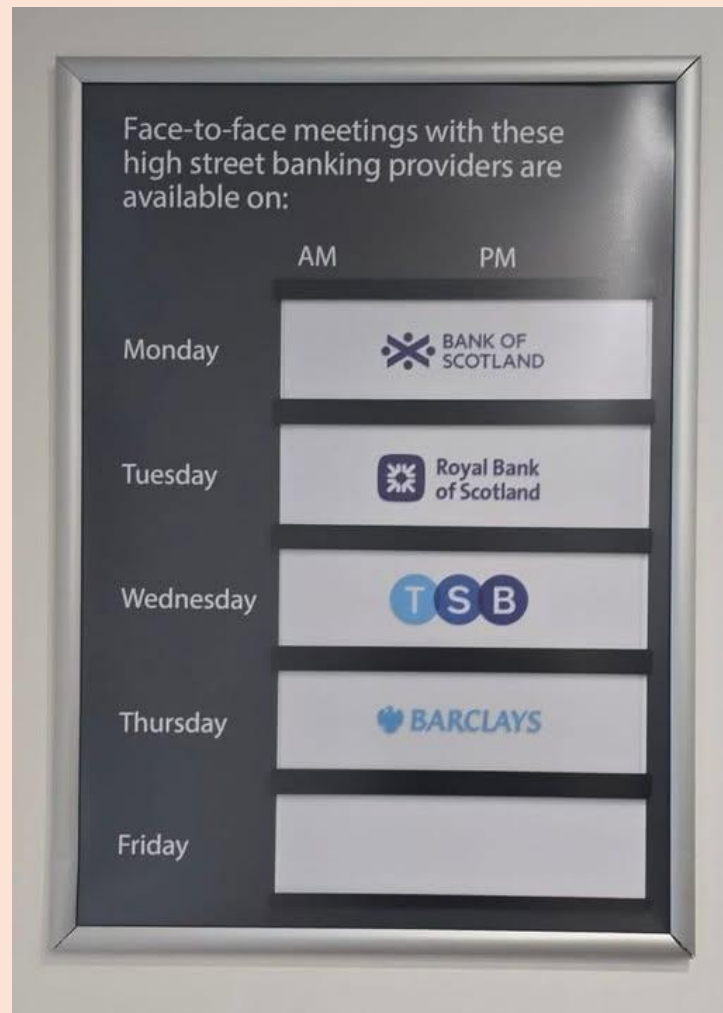

If you are interested in anything from photography to philosophy, crosswords to cooking, archaeology to arts and crafts, walking to talking, or just want to meet with new people to share ideas, we would like to invite you to our inaugural meeting to find out more. It takes place on Tuesday 13th January at 10.30am in St Andrews Church Hall, Inverurie.

### You will be very welcome

More information can be found on the Inverurie and District u3a [Facebook](#) page and on our website which will be starting soon.

Muckle Pott, by local author Andrew Saunders, contains sixteen interesting and unusual short stories. They are set in a fictional Aberdeenshire village. Some of the tales are told by Phil the nosey village postie, who collects people's stories while on his round. The book can be bought in Inverurie from Strachans, Gallery and the Cancer Research shop. In Huntly at Number 30, Dean's of Huntly and Orb's Bookshop. In Inch at The Bennachie Leisure Centre, the Co-op, Wilson's Chemist and Louis' Little Haven.

Hi folks, I'm an award winning Inch based sourdough and viennoiserie baker (The Culinary Kiwi Bird) and I've been holding monthly pop ups at the

Institute in Rannes Street with Morley's Coffee. They are held on a Sunday and people can sit in or take out. They can also pre-order bakes, coffee bags and hot drinks too if they wish. I wanted to do this as there is no-where open in Inch on a Sunday where you can get

coffee and something to eat or fresh sourdough breads to take away.

**Sunday 25th January, 10-12**

**Sunday 22nd February, 10-12**

**Sunday 22nd March, 10-12**

All held at the Institute, Rannes Street, Inch.

### Path upgrade update!

For the last few months, we have been asking for donations for the Help Your Hill project and we thought you would like an update. So far, we have raised approximately £16,000. This is a fabulous start but we haven't dropped the baton. As the Bailies of Bennachie biggest ever project on Bennachie we aim to raise money towards estimated costs of £100,000 to repair the path.

Part of our fundraising will be through the website shop selling branded items such as this lovely mug and T-shirt. Keep checking back as we will be adding new products regularly.

To donate to this fundraiser go to the website and look for 'Donate' or look for the 'Shop' [www.bailiesofbennachie.co.uk](http://www.bailiesofbennachie.co.uk)

Alternatively, use the QR code and select 'support us'. Contact us on [info@bailiesofbennachie.co.uk](mailto:info@bailiesofbennachie.co.uk)

### **Wedding Anniversaries and Birthday celebrations**

One of the Lieutenancy's roles continues to be to ensure that messages of congratulations are delivered from Their Majesties, The King and Queen to those celebrating their 60<sup>th</sup>, 70<sup>th</sup> or 75<sup>th</sup> wedding anniversaries and 100<sup>th</sup> and 105<sup>th</sup> Birthdays. Myself, or one of his Deputies are always delighted to visit on the day of such special milestones and present a card and personal congratulations. Information can be found on the Aberdeenshire Lieutenancy website.

### **Diamond Wedding Anniversary**

Major Grenville Irvine-Fortescue MBE DL had the pleasure of visiting Mr and Mrs Leslie Bruce to present many congratulations on the occasion of their Diamond Wedding Anniversary. Les and Betty first met at a Beatnik Ball at the Beach Ballroom. Their family had arranged a surprise party earlier in the week at the Atholl Hotel in Aberdeen where Les and Betty were married. Les went to school at Culter and then to Robert Gordon's College in Aberdeen. He spent much of his working life as a chemist at the Rowett Institute specialising in animal nutrition. Betty spent her working life as a nurse in Aberdeen. When Les retired they moved to their home near Pitcaple. It was wonderful to

### **Remembrance Sunday 2025**

Aberdeenshire Lieutenancy Deputy Lieutenants and I were honoured to lay wreaths at war memorials across Aberdeenshire on Remembrance Sunday. Major Mike Taitt DL was delighted to take part in the Inch parade and lay a wreath, on behalf of His Majesty The King, at the Inch War Memorial. Laura McNeil DL took part in the Huntly parade. ### **Honours**

The Aberdeenshire Lieutenancy would like to know of any individual or voluntary organisation who has made an exceptional contribution for the wider benefit of others in their community. Individual awards include the British Empire Medal (BEM), OBE and MBE. The King's Award for Voluntary Service and the King's Award for Enterprise are group or company awards. More information can be found on the Lieutenancy Website about all these honours. The Lieutenancy will assist in giving full consideration for appropriate recognition and encourages you to propose nominations.

I recently had the great pleasure to present Mr Keith Jensen with his British Empire Medal for his remarkable

work over 30 years saving lives as a paramedic in the North-East of Scotland. Keith has also played a key role in supporting the impactful work of life saving charities such as Aberdeen Mountain Rescue, The Sandpiper Trust and BASICS Scotland. A truly exceptional contribution to our communities and so many families.
